## Chapter 26 Humanoid Tyrannosaurus!

As soon as the words fell, Andrew moved!

His foot slammed, and the ground seemed to tremble!

Immediately, Andrew turned into a residual image and rushed towards the group of people in an instant.

“Unrestrained! Find death!”

“Slay him!”

“Give me!”

Sixty or seventy people, like crazy, waved the sticks in their hands and all rushed to Andrew.

They have not seen such a person who is not afraid of death.

Even if they dare to rush over alone without killing him, what other faces do they have in the circle?

“Andrew!”

Emma was shocked.

She didn't expect Andrew to rush out suddenly.

Opposite, but sixty or seventy people!

How could he be the opponent alone? Too dangerous!

“Miss Emma, let's call the police!”

Caleb, a few responsible persons, were so scared that they couldn't hold onto their bodies. Why did they expect such a thing to happen?

This is about to die!

He took out his phone and called the police, but suddenly, a loud noise made him look up suddenly.

Andrew burst out with a punch, like a violent dragon!

With a punch, a hybrid on the opposite side, like a meteor, flew directly out, fell to the ground without the chance of screaming, and instantly fainted!

"Bang!"

"Bang!"

"Bang!"

Andrew has no tricks, it is the simplest trick!

One punch!

Every time a fist bursts out, a bastard flew out, unable to move on the ground.

However, a few breathing time, there are more than a dozen people lying on the ground!

The bastards were immediately frightened.

Where is this person?

This fu\*k is simply a humanoid tyrannosaurus!

too frightening!

But they can't take care of that much. They are so crowded. How could they be afraid of someone?

But Andrew seemed tireless and became more and more violent.

His fist is the most terrifying weapon in the world!

Rumble!

Andrew swept through thousands of troops and had already flown more than 30 people!

Those bastards are scared!

They are finally afraid!

I watched the people around me flying out, pouring foam on the ground, and couldn't help but tremble.

This is not human!

"Go! Go!"

"Don't back up! Don't back up!"

"He's the only one! Kill him!" The

leading bastard, his voice trembling, he shouted desperately, but the people around him kept backing , Where else dares to go?

"Bang!" There was

a loud noise, and even the bastard in front of him fell to the ground, his chest sunken, and did not know whether he was dead or fainted.

Suddenly he realized that he could still stand, only him!

be quiet!

The whole construction site is so quiet that it can be heard!

How long is this?

Emma and others were equally shocked. Just...just like watching a movie?

She glanced at the time and found that less than a minute had passed!

“You, who the hell are you?” The leading bastard’s legs trembled, terrified.

Andrew is not a person, he is a demon!

He is definitely a demon!

“Slap!”

Andrew moved instantly, approaching him, raising his hand with a slap, and flipping him directly to the ground.

“Come on trouble?”

Andrew sneered. “I don’t know if this is my wife’s project?” The

leading bastard’s face suddenly swelled up.

He gritted his teeth: “Dare you dare to hit me?”

“Do you think I dare not?”

Andrew narrowed his eyes, and for a short time, a strong bloody breath spread.

As if behind Andrew, there was a sea of blood piled up with thousands of corpses!

That kind of terrifying breath is so suffocating!

The leading bastard felt as if his throat had been pinched and painful.

“You... don’t mess up? My elder brother is a black tiger!”

“Black tiger?”

Andrew frowned.

Seeing the expression on Andrew’s face, the leading bastard breathed a sigh of relief. Sure enough, he reported his big brother’s name. In the circle of Fingol City, no one dared not ignore it.

“I don’t know!”

Who knew, Andrew’s next sentence made the leading bastard startle suddenly.

Before an urgent reaction came, Andrew had already kicked him in the chest and kicked him out directly. The sternum snapped and I didn’t know how many pieces he had broken!

Instantly passed out!

Emma was dumbfounded.

The person in charge of the entire site, technical staff, construction workers, all looked dumbfounded.

Their faces are full of disbelief, and the only thing in their minds is, is this a movie?

## Chapter 27 one hundred thousand!

On the ground, all six or seventy people fell!

A few can keep awake, they are screaming at the moment, the pain is extremely extreme.

“Andrew, are you okay?”

Emma really reacted, worried.

She knew Andrew would fight, but did not expect that Andrew was so powerful.

With a dozen sixty or seventy people!

Moreover, in less than a minute, they all gave Andrew a lie down!

so horrible!

“I’m fine,”

Andrew said lightly. “They can’t touch me.”

He glanced at this kind of non-influential rubbish, and he almost spent a minute. It seems that it has been too long to train. .

Andrew took out his mobile phone and called Daniel.

“I think it’s necessary for you to clean up the garbage.”

Hanging up the phone, Andrew turned to look at the workers who were still dumbfounded.

“You work here, nobody can disturb you, understand?” The

workers nodded.

Caleb was shaking at the moment.

He is worship!

This is the man, this is the fu\*king man!

“Anadrew Brother!”

He walked over quickly, breathing a little fast. “You can rest assured that I’m staring here, there will be no problems, and you will not be disappointed with Miss Emma!”

Andrew nodded.

Soon, Daniel came and brought dozens of people.

“Tie these people to me!”

Daniel was furious, “Is anyone dare to mess up my project?”

Speaking of course, this project is also his. Someone comes here to make trouble, he can’t ignore it.

What’s more, now Emma is in charge, she is Andrew’s Wife!

“Big brother, I blamed me for not making arrangements, so my sister-in-law was surprised. “

I'm here, no one can hurt her yet." "

Andrew pointed to the lead bastard," the guy said, and his boss was the Black Tiger. "

" Black Tiger? "

Hearing this name, Daniel frowned slightly. Obviously this black tiger is not an ordinary person.

"Why, it's not easy to solve?" "

" A little. "

Daniel immediately shook his head," This is the South Estopia Black Tiger underground circles famous ruthless role, I've had dealings with him, did not think he was behind the attacks. "

Brother, let me handle this matter!" "

Even if the fu\*k is the emperor, Daniel can't bear it.

Even his own project dare to make trouble, hasn't he been in the underground circle for too long?

"Lao Daniel,"

Andrew looked at Daniel and spoke lightly. , "Jackson has kept you in the South Estopia for so many years, not just for you to go to the ground circle. "

Daniel shivers, Andrew looked shocked.

" Some trash, clean up the clean-up, clean up, and this circle will clean, you know? "

Daniel felt that his heart was about to jump out, and he heard what Andrew said.

He wanted to completely reshuffle the entire South Estopia underground circle! The

Black Tiger is a ruthless one, and Daniel naturally knew.

Hearing Andrew's tone, he didn't take the so-called black tiger into his eyes.

It seems that it is just a ants!

“Contact Black Tiger,”

Andrew glanced at. Sixty to seventy people, all tied together with construction ropes,  
“Let him lead someone, one hundred thousand.”

“Without a penny, no one can take it away!” “

Daniel immediately nodded:” Yes “!

sixty-eight individuals, a total of 6.8 million, Andrew want a package price, may not to sell, a penny less, black tiger can never take away a person.

Emma, who was on the side, listened, and couldn't help worrying.

“Andrew, will it make the matter

worse ?” Even Daniel said that the black tiger is not easy to provoke. Andrew would do so, I am afraid that he would offend the black tiger.

She also heard the name, it seems that in the underground circle of Fingol City, it is a well-known cruel!

www.onlinefreenovels.com

“Noisy?”

Andrew shook his head. “It's disgraceful to call such a small thing. It's shameful.”

Anything he experienced, just take out one of them, it was enough to shake the earth!

Just a black tiger?

Andrew looked down, and he might not be able to see him.

“Relax, you do your job, I guarantee everything goes smoothly.”

Andrew said with a smile, “No one can affect my wife's career.”

Emma really wrinkled his nose.

What time is it, and kidding, who is your wife.

Seeing Andrew looked serious, she stopped talking.

What else can she say?

## Chapter 28 Misunderstandings are all misunderstandings!

Just less than a minute after Andrew, she slapped sixty or seventy people on the ground. She hasn't been relieved until now.

Around them, those construction workers were equally shocked and worked hard for a long time before they calmed down and continued the construction.

Just not far away, the 68 people, all tied together with rope, looked a little shocking.

At that time.

Spa club.

The black tiger was wearing a flower shirt, showing two flower arms, and his face was full of grim.

Even in the underground circle, he is deliberately cultivating his own taste.

Drinking liquor with a goblet is his original creation.

Just made five million, just celebrate it.

“Brother, your phone.” The

men rushed in quickly. “It’s Daniel.”

Hearing the name Daniel, a surprise flashed in the eyes of the black tiger, and he immediately looked disdainful.

“What did he call me to do? Not all are high-end people in the above-ground circle.”

Daniel used to be in the underground circle, but he was rising too fast. Now he is a successful businessman.

It is easier for businessmen to make money than they are, and there is no risk.

Benjamin answered the phone and ridiculed: "Why, Mr. Daniel called me, is there a business to cooperate with me?"

"Benjamin, you are courageous, even my business is broken?" How do you

know, Daniel's tone was cold, and he was not polite. "Sixty-eight people are now with me, 6.8 million, one penny less, and no one can go back!"

After that, Daniel hung up the phone directly.

The black tiger's eyelids jumped.

It seems that there are 68 people he sent, all planted?

Is that project related to Daniel?

Stuart on Dog Day, didn't tell himself!

"Contact him!"

Black Tiger said immediately.

"Brother, I can't get in touch!"

Black Tiger instantly understood that Daniel was not kidding.

6.8 million, which is 100,000 per person, is not only sold by Daniel, he has to pack it and don't give money, and these men will not come back.

He just made five million, and now he is going to spit out 6.8 million?

How can the Black Tiger be willing, but Daniel is also ruthless, of course he knows that without giving money, he will certainly not let go.

This let the other brethren know that I am afraid it will distract people.

“This move is so cruel.”

Black Tiger sneered and straightened up. “I personally went to see Daniel!”

They are all people in a circle. Although they dare not say how good the relationship is, it is not for this. Order things and make things stiff.

Isn't it just a matter of face, Black Tiger understands.

He immediately made people drive and sent himself to Daniel's company.

“Little girl, let me tell you President Daniel, and I will say that my old friend, Black Tiger, is looking for him.”

Black Tiger is quite polite. He didn't go up directly and said at the front desk.

The little girl at the front desk saw the fierce look of the black tiger, and there were ten people behind her. She couldn't help but get nervous and called the secretary's office to explain the situation.

“Mr. Black Tiger, President Daniel invites you to go up.”

Putting down the phone, the little girl at the front desk said.

Black Tiger went up the stairs directly to the top floor.

In Daniel's office, he was sitting there and heard the knock on the door, said lightly: “Please come in.”

The black tiger came in, and his men were waiting outside.

“It's not bad, or Mr. Daniel is so powerful. The business is so big.”

He looked at the layout of the office, thinking to himself, and went back to change his own one like this.

Underground circles have been lingering for a long time, always thinking of going ashore and washing their bodies.

Black Tiger walked down to the sofa and sat down, squinting, said: “Mr. Daniel, we haven't seen each other in many days yet?”

“It’s been more than a year.”

Daniel still sat there, didn’t get up, “So , You even smashed my business?”

“Misunderstanding! Everything is misunderstanding!”

Black Tiger smiled, “all are brothers in the circle, although my Black Tiger is greedy for money, but I don’t want to do something with Daniel for the money. “

I don’t really hide it. I really don’t know this business. It’s related to President Daniel. Stuart didn’t tell me.”

Black Tiger scolded. “If he knew it was President Daniel’s business, he would give me one.” Ten million, I dare not.”

Daniel looked at the black tiger’s smile and hid the knife. He knew very clearly that as long as the money is enough for a person like Black Tiger, it is even crazier to deal with himself. Dare to do it!

## Chapter 29 You are not qualified!

This kind of person has only money in his eyes, so Daniel will find this kind of person troublesome.

But Andrew doesn’t think so.

Offended Andrew, that is to seek death!

“You came to me, are you trying to solve this matter?”

Daniel said directly.

“Oh, everyone is mixed in a circle, but you can’t see your head when you look down,”

Black Tiger tilted Erlang’s legs and smiled. “Mr. Daniel, give me a face, this is a misunderstanding. When I turn around, I set a table and asked Mr. Daniel to eat.” Fan.”

Daniel sneered, his face gradually sinking.

Can this kind of thing be solved by setting a table?

If you just offend yourself, there is still discussion, but Andrew is offended!

“Black Tiger,”

Daniel’s voice cooled down, “You still don’t understand.”

“If you offend me, then I can give you this face, but you offend others!”

Black Tiger stunned. There are others?

Stuart’s bastard didn’t tell himself anything, damn beast.

“Other people?”

He suddenly realized that Daniel must have known, “Mr. Daniel should know? Then please ask Mr. Daniel to help me take a line, let that person, give me a face, how?”

Although a little trouble, even You have to pay a little money, but at least you don’t have to lose as much.

“Bang!”

Who knows, Daniel snapped the table and stood up and shouted, “I want him to give you a face? You are not qualified!”

This slap made the Black Tiger startle.

He had never seen Daniel so angry.

Who doesn’t have the right to give him a face?

“Daniel, don’t joke with me.” The

black tiger’s expression also calmed down. The cynthiae is the old fritters of the underground circle. He didn’t fear Daniel.

“I didn’t make jokes with you,”

Daniel sneered. "Six-eight hundred thousand dollar, the money is in the account, and the people took it away. This matter is gone. It is now the condition. After today, things will not be solved so well. "

"Black Tiger, the cynthiae person in the circle, so I kindly remind you, don't play with fire and burn yourself!"

Black Tiger stood up suddenly, sneering again and again.

"Is this your warning, or his warning?"

He didn't expect that anyone in Fingol City would dare to warn himself like this.

The big brother in the whole circle, he knows, who dares to talk to himself like this?

Even Daniel didn't dare!

Daniel didn't want to say more. Remind this sentence, he has already given his face. If a person like Black Tiger doesn't know what to do, it's his own business.

Black Tiger nodded: "Good! President Daniel, I want to see, in this Fingol City, who dare not give me Black Tiger face, hum!"

Those sixty-eight men, he lost it, he just Do not believe it, Daniel dare to abolish them!

The Black Tiger left angrily, and Daniel didn't say a word.

He has long known that with the greedy character of the Black Tiger, it is impossible for him to take advantage of other people's skill and want him to pay for it.

Even if the lives of his men are gone!

"Black Tiger, greed, has to pay the price."

Daniel said lightly.

Without wasting time, he immediately called Andrew and told him the situation.

Immediately, Daniel called several of his men: "It's time to raise you for so many years, and it's time to prepare to do things!" The

suburbs, outside the plant.

Emma really communicates some details with the workers. She has strict requirements for the construction period and quality. She refuses to make any concessions.

The woman's serious work is really cute.

Andrew put down his mobile phone and Daniel just called him.

Black Tiger refused.

He walked in front of the sixty-eight people and suddenly made them tremble.

"You, what are you going to do?"

"Don't you dare to kill us!"

"Don't come!"

A group of people were afraid of Andrew alone.

"You don't deserve me to kill you."

www.onlinefreenovels.com

Andrew said lightly, "I'm here to inform you, your big brother Black Tiger, give up you."

"Impossible!"

"Tiger brother can't give us up!"

"You are less here Provoking the gap, Brother Tiger said that we are his brother!"

...

A group of people shouted, and they didn't believe it at all.

Andrew just smiled and shook his head: "You are all on this day, is he here to save you?"

"I said, one hundred thousand people, I will let the money in place, but he refused, you said, Is money more important, or are you more important?"

## Chapter 30 Working for Freedom

Suddenly, a group of people were silent.

Benjamin eloquently said that they were his brothers, but these people knew clearly that Benjamin is greedy for money!

Extremely greedy for money!

Between money and them, the black tiger must choose money!

One hundred thousand dollar, their lives are not worth one hundred thousand dollar?

In recent years, how many things they have done for the Black Tiger are selling their lives. As a result, the Black Tiger is not willing to give up even one hundred thousand dollars, and gives up directly.

“No... Brother Hu won't do this!”

“It must be your conspiracy! Brother Hu won't give up on us!”

“Brother Hu... Hu Ge he... won't...” The

voice is getting smaller and smaller , Even they don't believe it themselves.

Before this time, who would know that in the heart of the Black Tiger, he has multiple weights.

Obviously, they have no weight.

The face of a group of people, full of disappointment, soon became despair and anger!

“Then what do you want to do?” The

leading bastard, eyes red, stared at Andrewdao.

Andrew is very powerful!

Powerful to terrible!

Even if they were killed by Andrew, they could only blame their inferior skills, but they knew that Andrew disdain to kill them.

“Don’t do anything, let you recognize the reality.”

Andrew said lightly. “Now you know, what the hell are you doing? Do you think he will cherish you by selling his life to the Black Tiger?”

“Wrong! He will look down on you even more! Take you as a tool and throw it away when you run out!”

“Because you have no other way to go, you can only sell your life, why should he value you?”

Andrew’s words stung everyone’s heart.

It’s hard to hear, but it’s real.

A group of people, their faces blue and white for a while, followed by the black tiger. They didn’t get much. Besides paying, they just ate together.

No matter how much the Black Tiger earns, it has nothing to do with them.

“I, I can give you a way out.” [www.onlinefreenovels.com](http://www.onlinefreenovels.com)

Everyone, looked up suddenly.

“Don’t look at me like this, you are too wasteful, I can’t even look down on, but you have the strength to work on this site, it’s not bad.”

“You...you insult us?”

A bastard couldn’t help it Said angrily.

“Insult you?”

Andrew sneered. “Then I would like to ask, what will you do?”

The man suddenly stopped talking. He would do nothing but fight.

“Do not forget, you are now life and death in my hand, a person worth a hundred thousand, to work on this site, dry enough to one hundred thousand, you can go.”

“You let us go?”

Take the lead in the mix When Yi Zi stunned, he had experienced many battles in the circle.

Falling into the hands of the Chou family, they will be crippled without dying!

Andrew was willing to let them go, one hundred thousand people, these people, but 6.8 million people!

“After working for 100,000 dollar, you can go, if you want to stay, I don’t want it.”

Andrew said directly, “Information, just two months, after the factory building is built, you can go.”

A group of people Looking at each other, Andrew means, are they worth 50,000 dollara month?

“Do you believe us? Are you afraid that we ran straight away, or maybe we broke up and destroyed your plant completely.”

www.onlinefreenovels.com

Leading mediocre road.

“Dare you?”

Andrew said.

The bastard stopped talking.

Before they were doing things for the Black Tiger, the Black Tiger made money, but they sold their lives.

Now that the Black Tiger has given up on them, they naturally have no need to do anything for the Black Tiger, especially if they offended Andrew. The end will definitely be miserable!

They clearly remember that when Daniel just came, he shouted respectfully to Brother Andrew!

If Daniel, who is on equal footing with the Black Tiger, wants to call his elder brother, how terrible will that be?

The most important thing is that they were beaten!

“I’ll do it!” the

leading bastard shouted, “I hope you have your word!”

“And me! Shit, I’m free, earn yourself!”

” Make 100,000 in two months, redeem the free body , I do it!”

shouted one by one.

Anyway, 50,000 dollara month, at least here, their value has really risen too much.

At this moment, Emma had a headache, and the construction period was too late.

“Can’t you hire some more workers? If you can’t complete it within two months, the production line can’t be equipped on time.”
